

# ZK -MB20

## Multi-Bio Time Attendance Terminal with Access Control Functions

ZK-MB20 is an innovative product featured with ZK advanced fingerprint and face recognition technologies. It supports multiple verification methods including face, fingerprint, card, password, combinations between them and basic access control functions.

User verification is performed in less than 1 second, which streamlines the process of access.

The communication between the ZK-MB20 and PC is by TCP / IP or USB interface for manual data transfer. Its sleek design fits perfectly in any environment.
